Spinoza first commenced work on the 'Theological-Political Treatise' in the late summer of 1665. He outlined his plans about the project for the first time in a (now lost) letter dated 4 September to his friend Henry Oldenburg in London. In Oldenburg's reply, composed between 14 and 28 November (Oldenburg to Spinoza, 17 Jul 2015 . Spinoza presented his political theory in two works: A Theological-Political Treatise (beginning with Chapter 16), published anonymously in 1670; and A Political Treatise, an unfinished book that was published posthumously in 1677, the year of Spinoza's death. Although the latter book presents one of the.

It is part of my purpose to remedy these defects, and to remove common theological prejudices. But I fear that I am attempting my task too late, for men have arrived at the pitch of not suffering contradiction, but defending obstinately whatever they have adopted under the name of religion. So widely have these prejudices.

Description: This course will consist in a careful study of Spinoza's views on religion and the state, in particular how he envisaged their role in the life of the citizen. We will focus on the Theological-Political Treatise (TTP), published in 1670, and on the Political Treatise (TP), left incomplete and published posthumously.

In the second chapter of this treatise we pointed out that the prophets were gifted with extraordinary powers of imagination, but not of understanding; also that God only revealed to them such things as are very simple - not philosophic mysteries, - and that He adapted His communications to their previous opinions. We further.

Scholars agree that Lessing deliberately incited the infamous 'Fragmentenstreit', but they limit his role to moderator of the conflict. However, I argue Lessing takes up a positive Spinozist position in the debate, discernable in three ways: first, by his claim, 'the Bible obviously contains more than what pertains to religion'.
